

Project S

Task A – Background

It is August, the year is 2016. You are 18 or 19 years old and living in Stockholm. A summer has just gone by. You had a nice time but now you realise that you don't really have a direction in life, and also you are really short on cash.

1. Write a text where you introduce yourself. Describe your situation.

Like:

- ✿ Where do you live?
- ✿ Did you go to Senior High School (*gymnasiet*) What programme? Where?
- ✿ What do you do? Work? Study? Something else? What would you like to work with?
- ✿ What happened in the summer?
- ✿ What dreams do you have?

N.B!

There are TWO conditions you have to meet; you need to live in Stockholm, and you need to be short on cash!

P.T.O. 

2. When your text is done ask a friend to read it. Ask him/her to help you correct it.
3. One day there is an envelope addressed to you in the mail... Read the letter carefully.
4. When you have read the letter and made sure you understand everything, get the instructions for Part B
